

Fig. 1A

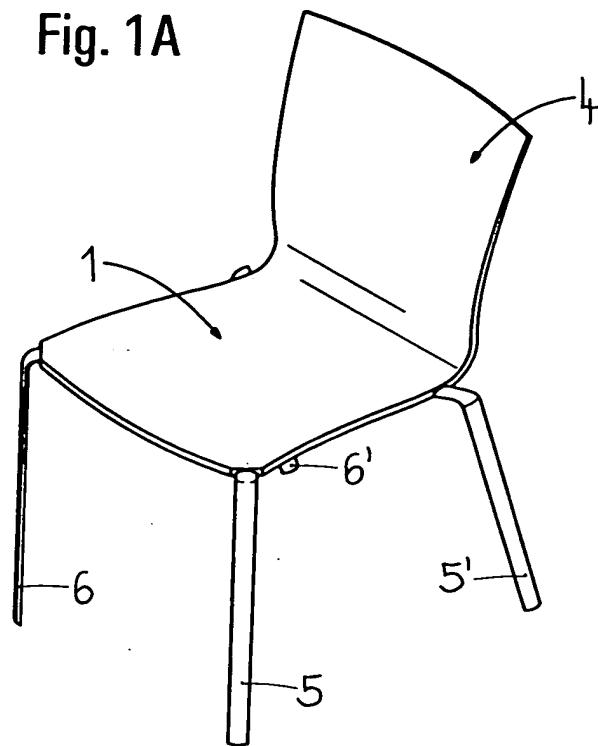

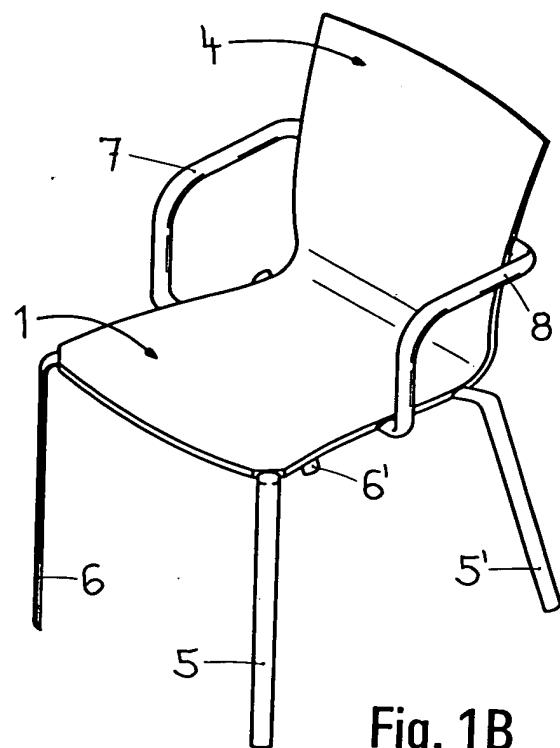

Fig. 1B

This technical drawing illustrates an exploded view of a medical device assembly. The main components include:

- A base unit (6) featuring a rectangular frame (60) and a handle (61).
- A curved top cover (7) with a handle (70) attached.
- A central housing (2) with a slot (21) and a protrusion (20).
- A base plate (30) with a central slot (31).
- A side panel (30) with a slot (31).
- A flexible tube assembly (8) consisting of a tube (80) and a connector (51).
- A vertical support (5) with a cap (50).

The numbers 6, 7, 2, 21, 20, 30, 31, 80, 51, 50, and 5' are used as reference labels throughout the diagram.
